Pamtoxvmini User Manual

xvminitoppm

Updated: 02 April 2006
Table Of Contents

NAME

pamtoxvmini - convert Netpbm image to an XV "thumbnail" picture

SYNOPSIS

pamtoxvmini [*xvminipic*]

DESCRIPTION

This program is part of Netpbm.

pamtoxvmini reads a Netpbm image (PAM or PNM) and produces an XV "thumbnail" picture (a miniature picture normally generated by the "VisualSchnauzer" browser) as output.

SEE ALSO

xvminitoppm, ppm, **xv** manual

HISTORY

This program was new in Netpbm 10.34 (April 2006).
